Unico Collects Toys and Food for Local Charity Drive

ST. LOUIS – Unico and the Intagliata family have been involved with the Patch Center for the past five years and donate items every Christmas. The company surpassed its goal and collected more than 3,000 pounds of toys and food for the Patch Center Toy and Food Drive on Monday, Dec. 15. Several Unico employees were present at the center to help unload trucks full of their donated items.

The Grace Hill Patch Neighborhood Center has been a leading volunteer center in St. Louis for 42 years. It provides a comprehensive and coordinated complement of social and health services and resources to immigrant populations who settle in the St. Louis community.
